## BEEF HANGER STEAKS (6/8 oz size only)

Many years ago butchers used to keep this flavorful "secret" steak for themselves. The name "hanger steak" comes from the fact that the muscle literally "hangs" off the tenderloin. Coarse in nature, the flavor will be unmatched...similar to skirt steak. Although this steak is not as consistent in shape as some cuts, it's popularity has sky-rocketed due to the eating quality. If you are looking for a trend-setting, versatile beef protein full of flavor, this is your ticket. A variety of applications are in play, including steak frites, Latin preparations and salads.
