10/20 DRY SEA SCALLOPS (10# cloth sack, Nantucket Lightship Scallop Area)

The United States Scallop fishery is the largest in the world, and the best managed. This is the time we see the most abundant catches and excellent pricing of 10/20 scallops from day trips by boats like the F/V Friendship, piloted by Captain Gabe, and the F/V Nordic Pride, piloted by Captain Ron.

LARGE DAY BOAT MONKFISH FILLET (boneless, skinless)

We are sourcing beautiful large Monkfish Loins (fillets) from the cold crisp waters of the North Atlantic and Georges Bank. One of New England's newest and finest ground fishing vessels, The Nobska, is landing beautiful fish that are processed by hand here at our facility.

SILVER STREAK FARMS HYBRID BASS FILLET (skin-on, boneless)

This is a great alternative to wild rockfish. No antibiotics or growth hormones added. The flesh is firm and fish of this size are full flavored due to high fat content. The fillets will average 8-10 oz each.

COPPER RIVER SOCKEYE SALMON FILLET (skin-on, boneless)

Sockeye salmon is highly regarded for its firm red flesh and rich nutty flavor. One taste and you will understand why chefs from all parts of the country make such a fuss for the 4-5 weeks each year that this fish is available fresh. The fillets will average approximately 1-2 pounds each. Much of the fat is stored under the skin and is best cooked skin-on to preserve its natural goodness.

BEEF FLAT IRON STEAKS (4/5/6/7/8/10oz sizes available)

The “Flat Iron” steak is cut from the top blade muscle, which is found in the shoulder of the animal. This steak offers good plate coverage because of its rectangular shape. The Flat Iron has gained popularity throughout the years because of its unique combination of high marbling and tenderness. This versatile steak can be served whole or sliced, and is suitable for various applications ranging from steak frites to entrée salads. Available in 4 through 10oz portion sizes

FLAVORED PORK SAUSAGE GRILLERS (4oz links, 10lb boxes, frozen)

Celebrate the start of summer by featuring one of Indian Ridge’s most popular seasonal items. Our sausage grillers are gluten-free and made with high quality pork...then flavored with natural seasonings. Perfect for outings and club dining – these sausages have also become popular in mixed grill, appetizer, and gastro-pub applications.

Available in the following varieties:

- **Sweet Italian**
- **Hot Italian**
- **Garlic**
- **Zesty Cheddar**
- **Sweet Pepper & Onion**

NELLO'S MORTADELLA (5pcs per case, 5lb case)

Locally sourced, our Mortadella is a cured bologna-style meat based on the original recipe from Bologna, Italy. Thick cubes of fat throughout enhance the port flavors, and this dry cured item is seasoned with black pepper and pistachios. Best paired with Italian wines and cheeses as well as figs, grapes, and melons, this charcuterie offering is sure to make an impression.
