## **BONEWERKS GLACE DE PORK (5lb box)**

This chef-quality pork glaze is gluten free and dairy free. It's prepared from roasted pork neck bones, onions, carrots, celery, tomatoes, fresh parsley stems, and bay leaves. Intense pork flavor for glazing and sauce preparations — a lost treasure.

## **USDA CHOICE BEEF RIBEYE STEAKS**

These rib steaks are cut "butcher-style" — meaning the bone is not frenched and the cap is left on. This rustic presentation has regained favor over the last several years. Great plate coverage at an affordable cost makes this a great winter-time steak feature. Ask your sales rep what portion size is right for your dining room.

## **"FRENCH-STYLE" DUCK BREAST (24 pc/case)**

Crescent Farms is a 3rd generation family owned farm located on Long Island, NY. On the island they raise their White Pekin Ducks "All -Naturally" (no growth hormones/no antibiotics). Taste how tender and flavorful duck tastes and support one of the last family-owned farms on Long Island. These "French-style" breasts feature a skin-on boneless lobe with the drumette bone attached; making for an elegant presentation. Each breast is approximately 10oz .

## **BEEF RIB CAP MEAT**

Sometimes referred to as "spinalis," this is the true "meat lover's" favorite part of the animal. The cap portion of the boneless ribeye has tremendous marbling that produces a flavorful and tender mouth feel. Chef's can be creative as far as preparation — both braised and grilled applications are suitable. If you have never tried this muscle, it is a MUST. Trust us. Sold Frozen in 10lb cases.
