Seafood

March 27th through March 31st

Barramundi Fillet, Skin On, PBO: Prized by chefs and found on the menus of Australia and New Zealand's finest restaurants. It has become the region's favorite fish. Firm, white flesh with a mild but appealing flavor. Preparation possibilities include grilling, baking, or pan searing.

Large New Zealand Sword Loins: The Australian Sword are excellent cold water fish. The nicest fish we have seen since the Canadian season. The boats are fishing on one two day sets and arriving daily at the docks. We are flying the fish in daily to insure the freshness. The fish range from 100-200# each and are full of fat.

U15 Count Dry Sea Scallops: These beautiful gems come to us in catch weight 40# sacks. We then sort, re-grade for sizing, remove any shells and/or splits, then pack in 10# cloth bags for your convenience.

Carolina Mountain Natural Trout Fillets 6/8oz: Carolina Mountain started to farm trout in 1980 in the cold crystal clear waters of the western Carolina Mountains. The water is coming from the National Parks spring fed streams. The goal of Carolina Mountain Trout Farms is to produce the finest, freshest farmed trout available. A goal that they definitely achieved. One taste and you will see how fresh and clean tasting this fish is.
