## IRP's "Local Harvest" Grass-Fed Beef Program

Under the umbrella of our PA Proud program, IRP has teamed up with Meyer Natural Beef to offer a truly first-of-its-kind beef program.

Partnering with independent family-owned farms in Pennsylvania and New York, these cattle are raised, fed, and harvested right here in our region.

- 100% Grass-fed & Grass Finished
- Raised on open pastures — No feedlots
- Born & Raised in the USA by local, family farmers
- NO antibiotics or beta-agonists
- NO growth implants or hormones

Ask your sales rep for more details and pricing.

### **Fresh Butterflied Bronzino (7/9oz each, head-off, skin-on, boneless)**

**\$10.70/lb (SBWFB)**

This European Sea Bass has a mild, delicate, and flaky meat that satisfies even the pickiest of pallets. They are food cost friendly and the perfect portion size.

### **Fresh Icelandic Cod Loin (boneless, skinless)**

**\$10.60/lb (SCODLC)**

Tremendously versatile and cost effective, our Wild Icelandic Cod is sold boneless/skinless, which allows for a multitude of applications on the menu. Because only the top loin is used, there is NO waste — this is 100% usable product.
