These “tail steaks” are a natural by-product of our center-cut tenderloin filet mignon production. Applications are endless with this versatile piece (approx. 3-5oz in size) and the competitive price point allows the coveted tenderloin muscle to be used in a wide variety of price ranges. Just don't wait too long — limited quantities!

DRY-AGED GROUND BEEF (10lb case, frozen)

The “premium” or “upscale” burger movement continues to be one of the hottest trends in the industry. Customers love splurging on these unique offerings, and it provides a good profit center for your menu. We at IRP consider making burgers a “craft” — similar to cheese-making or micro-brewing. While we can't give away all our “grinding” secrets here, we can tell you that this custom blend is one of our most popular. We use copious amounts of dry-aged beef trim to give the patty an intense “smoky” flavor that pairs well with bacon or sautéed onions. Labor Day Weekend is the perfect time to offer an upscale truly unique burger offering.

NEW YORK CHEESECAKE (2 per case)

Using an original recipe from the 1930's, our melt-in-your-mouth New York Cheesecake is made using locally sourced cream cheese and eggs with a classic shortbread crust. These cheesecakes come packed two per case, ideal for limited features without committing to more product than you can use. Delicious all by itself, this cheesecake is the perfect palette to showcase your creativity. Add fresh fruit, chocolate, or glazes and give your guests a dessert to remember.

This week our sword loins are coming to us from Grand Banks, an area southeast of Newfoundland and one of the richest fishing grounds in the world. We are sourcing "Markers" — swordfish that weigh at least 100 lbs. Fish of this size will have acquired excellent fat and will have reproduced several times.

CHILEAN SEA BASS FILLET (boneless, skinless)

This wonderful fish is prized for its snow white flesh and buttery taste — it has become a very popular menu item. We are cutting 15 kilo and larger fish that will produce large thick fillets that will yield very well for portioning.
